DREAMS OF YESTERDAY,

TODAY, AND TOMORROW

THE FUTURE WAITS

This is a dream book.
It is filled with the dreams you have dreamed, and
The ones your classmates,
Your friends have dreamed.

It is a book of today-dreams...
I'm worried about the English test...
What if I don't pass...
It's over...

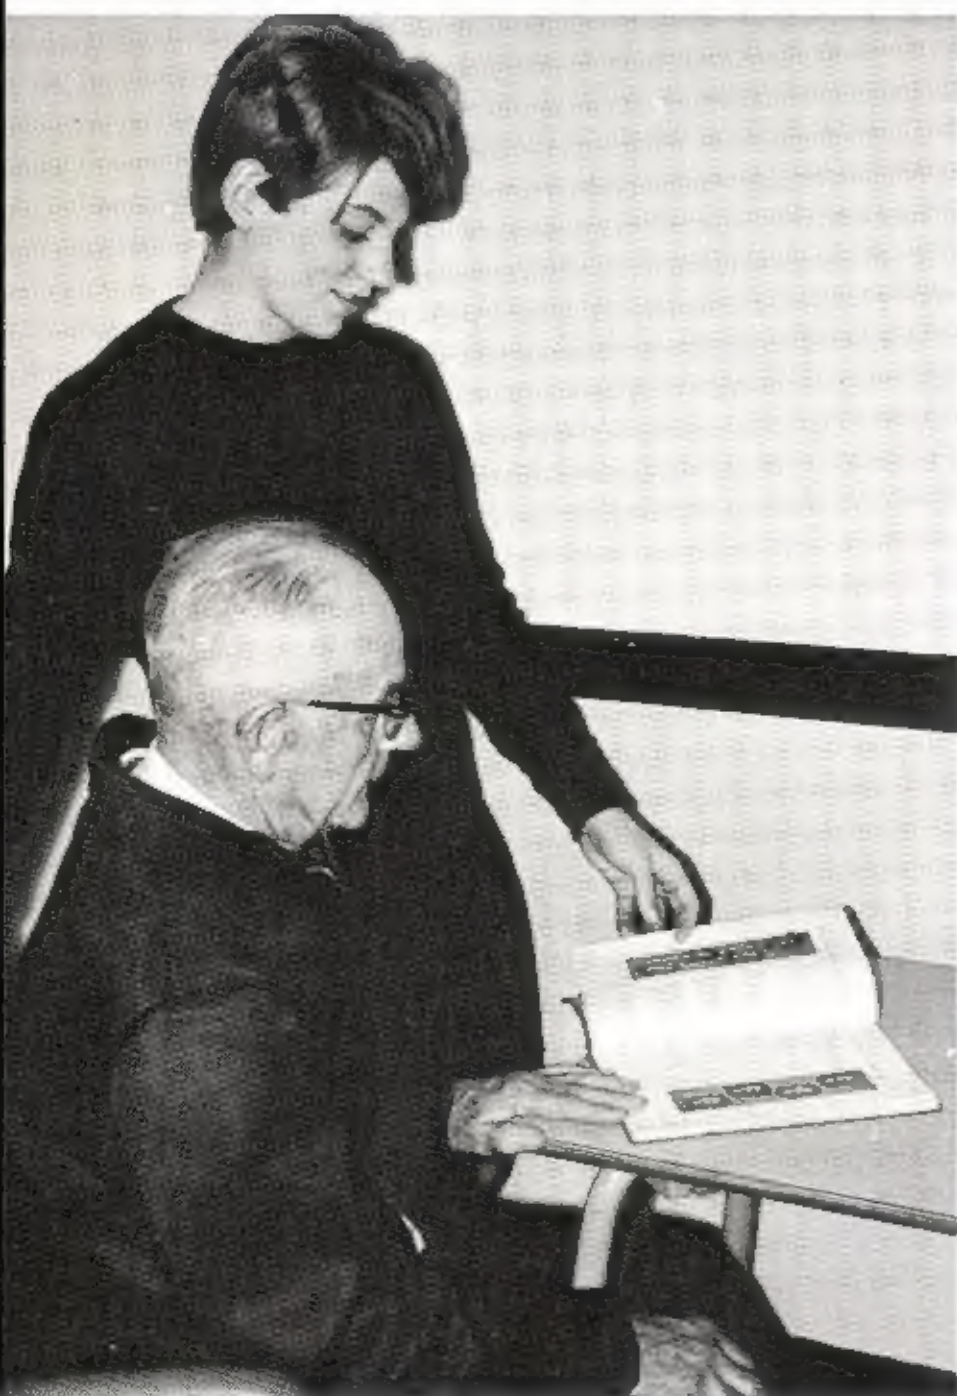

And a book of tomorrow-dreams...
I can't wait for the weekend...
Tomorrow I'll study...
I've got to get started on that project...

And a book of next-year dreams...
We're going to be seniors...
I'm taking six solids...
Next year it will be beautiful...

And a book of someday-dreams...
I want to be a doctor...
When I raise my children...
If I can, I'll go to Stanford...

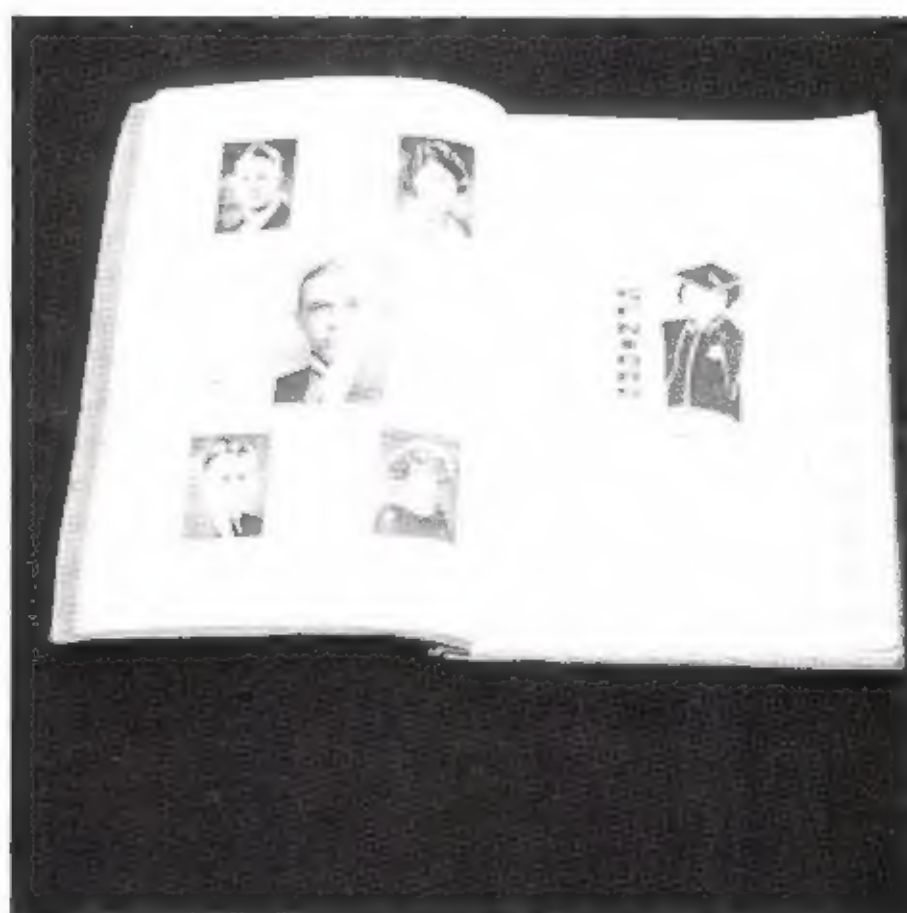

But yesterday-dreams are forgotten.
Whether fulfilled
Or unfinished,
They are gone.
There is no time for yesterday-dreams anymore, for
Yesterday is gone, and
Tomorrow waits.

THE YEAR—1925; THE BOOK—THE "MIRROR"

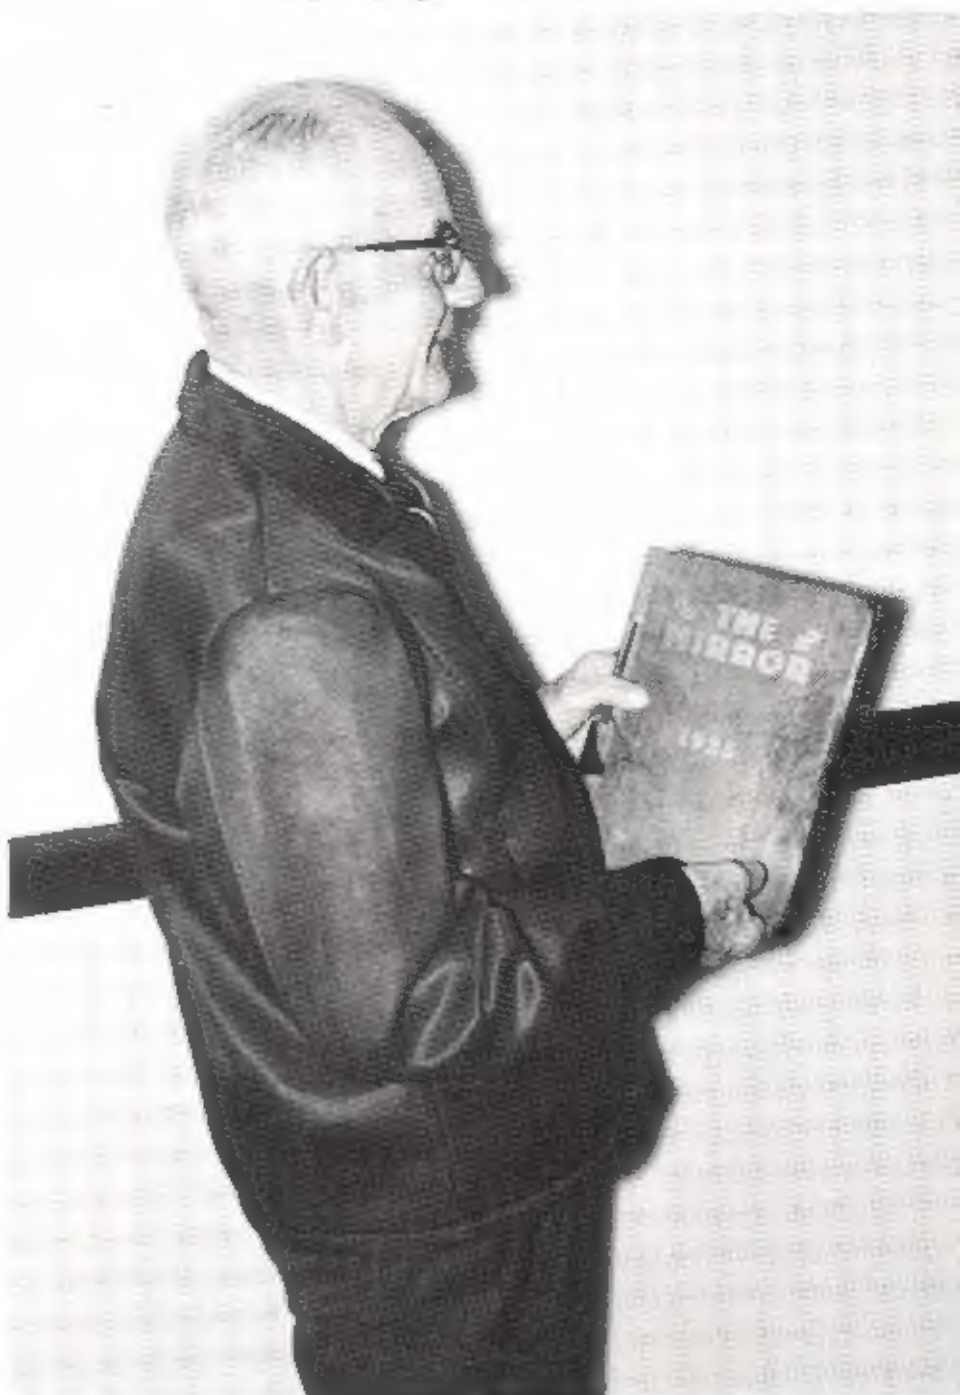

Our editor looks through the first Tonica yearbook with its owner.

Pictured on this page is one of the opening leafs of the first Tonica High School "Mirror" printed in 1925. This particular book, one of the few still in circulation, is owned by George Weingartner, also pictured here. The 1925 "Mirror" is enjoyable to look through, and many aspects of the first annual are not unlike our yearbooks today. Like the annuals today there are class pictures, and activities section, and a sports section. Annuals today have more pictures and better covers than the latter-day yearbook. Still, an old yearbook is a fascinating piece of history, and an education to examine and read.

MARY—WE DEDICATE THIS TO YOU

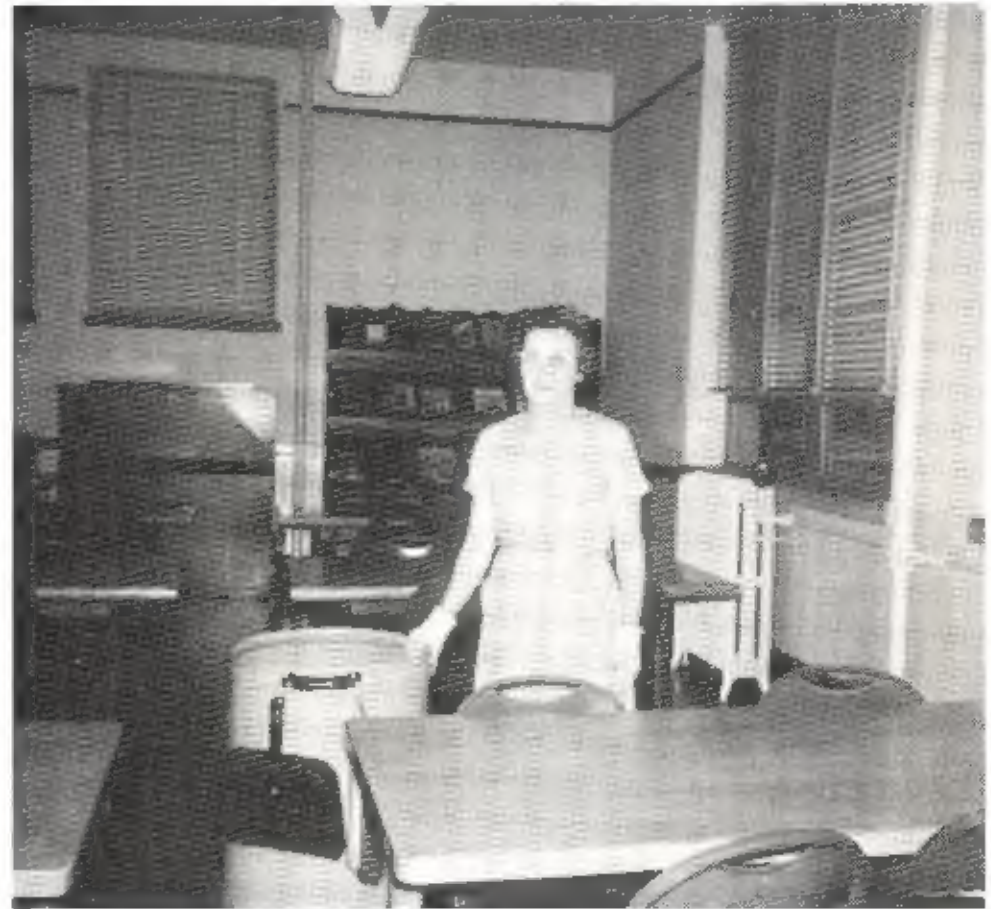

When a day's work is done---

We, the members of the annual staff, would like to dedicate this Mirror to Mary Ryan Warner. We would like to thank her for her fifteen years that she has been assistant custodian of Tonica High School.

Mrs. Warner is always willing and able to help us in any way she can. She lends a helping hand wherever needed, and is always smiling, thoughtful, and understanding.

On behalf of all the students of Tonica High School, the Mirror staff would like to show their appreciation of her kindness by this dedication.

After the students leave Mary's work begins.

A night out was enjoyed by all.

FIVE NEW RECORDS FOR OUR TRACK TEAM

What were those instructions?

Five New Records For Our Track Team

Five school records were broken by our track team of this past year. Bob Foote broke the record in the 400 yard dash; Tom Gualandi for the 880 yard run; and Ben Miller broke both the discus and shot records. The fifth record was for the Varsity 880 Relay which consisted of Tom Gualandi, Bob Strack, Bob Foote and Ben Miller. The team placed second in the Tiskilwa Annual Relays and fourth in the Tri-County Meet, the only win being Chuck Lewis in the mile. Most valuable player was Tom Gualandi with 93 3/4 points.

Would you believe - a mile.

Hercules of T. H. S

A lot of hard work went behind that trophy!

Push it, Paul! Push it!

CROSS COUNTRY IN ITS SECOND SEASON

Conference Cross Country is in its second year at Tonica and still going strong. With a year's experience behind them, the boys looked good this year and did a nice job of representing our school. Our ten boys placed third in the Tri-County this year with Rod Brady finishing in the top ten. Paul Schmitt accumulated the least number of points to become Most Valuable Player of the 1967 Cross Country season. A runner on a cross country team competes in running a course of 1.9 miles; to do this a boy must possess both speed and stamina. Our boys did a fine job of measuring up to these standards and are a credit to themselves and our school.

But will you feel so happy 1.9 miles from now?

BASEBALL—A SWINGING SPORT

Kneeling l-r: Jack Immel, Al Henning, Jerry Ebner, Mike Gray, Jerry Kreiser, Paul Schmitt, Jim Arkels, Terry Novak. Standing l-r: Paul Capponi, Gil Hobneck, Dan Kreiser, Jim Nagel, Gary Ford, Steve Mateta, Coach Bayler.

OUTCOME OF THE '67, BASEBALL SEASON

There was a good turnout of 24 boys for baseball this year; only five were seniors. Our team played 11 games this year and in Conference games our record was 2-6. The 1967 batting champion was Alan Henning who batted .273. This year Paul Schmitt was elected Most Valuable Player. He pitched a no-hitter against Lostant; pitching a no-hitter against any team is no easy thing to do. Coach Bayler is looking to a better season next year with a year's experience under their belt for many of the returning lettermen.

Coach Bayler and friend.

Nice swing!

Memorial Day services

This year the band was always busy. The year started out by going to Northwestern to march. Then the band sold fruit-cakes, had a Winter and Spring concert, played at all home basketball games and went to contest. As a reward the band was allowed to take a trip to tour a factory. This year was one of the most successful years the band has ever had. The band has been lead by our director, Mr. Elder.

TONICA WINS DISTRICT TWO YEARS IN A ROW

The Tri-County is one of the toughest, "smaller school" conferences in the area. The jammed packed Wenona gymnasium, was packed to full capacity. Here, Tonica fans cheered the Warriors on to Victory. The Warriors tromped the Wenona Mustangs, winning 64 to 45. We came home with our hearts swelled with pride, and a shuney new third place trophy.

FROM THE OLD WE GO ONWARD TO THE NEW

OUR DREAM

Our dream is finished.
Through laughter and shouting, joy and anger,
Our state of mind, our love of creativity
Has realized our dream of beauty.
We will go from this school soon.
Our dream book will stay here. . .
And too, it will go with us.
And when we are forgotten, our book,
Our dream, will remain.
So it is with all dreams. . .
Through sorrow, strife, joy, laughter
Realized, precious
Beautiful, treasured,
Eternal.
The creator? Far away,
Forgotten. .
Yet his dream lives on.
This dream is finished.
Yesterday is gone, and
Tomorrow wants. . .

THE DOORS CLOSE AS THE YEAR ENDS

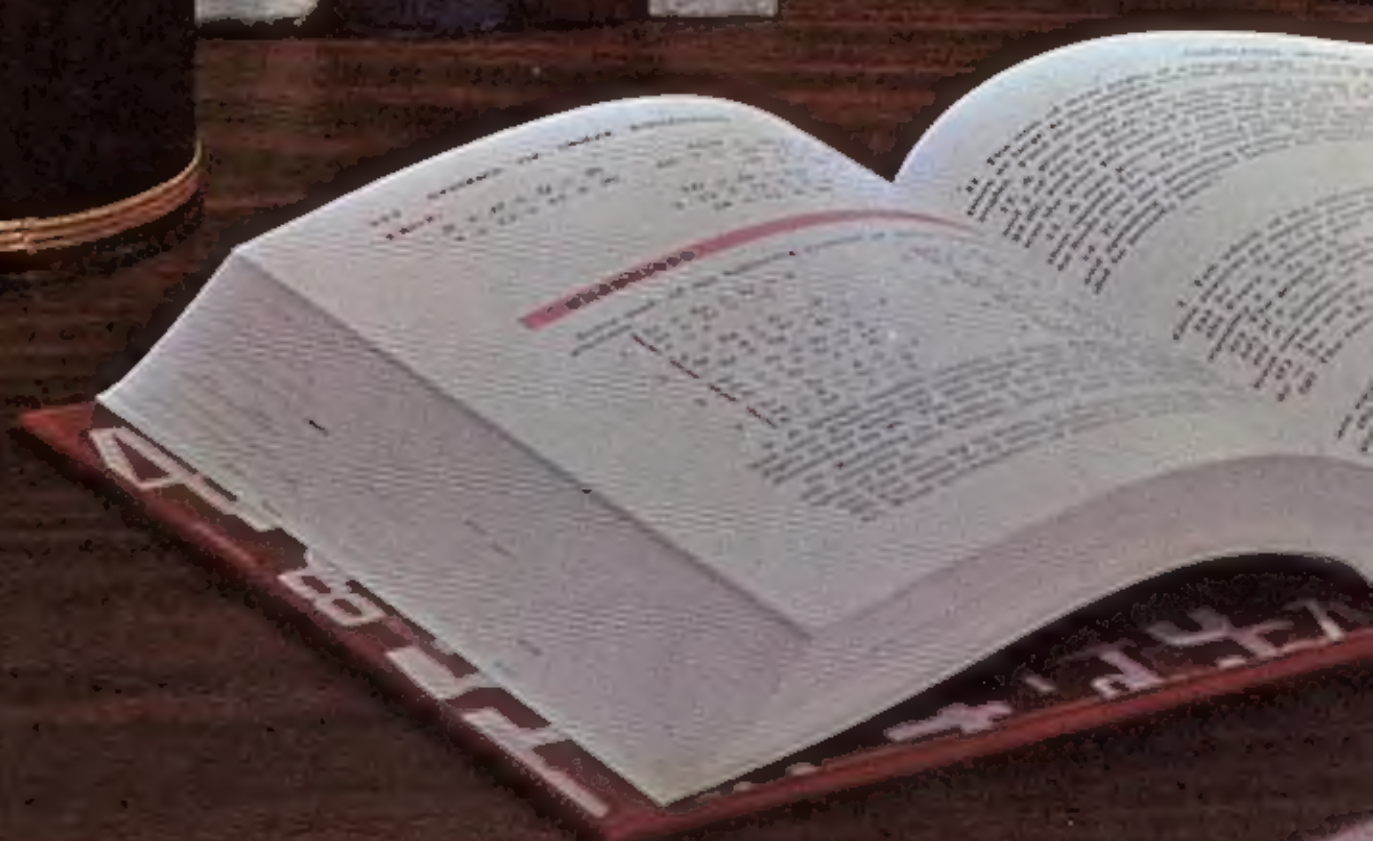

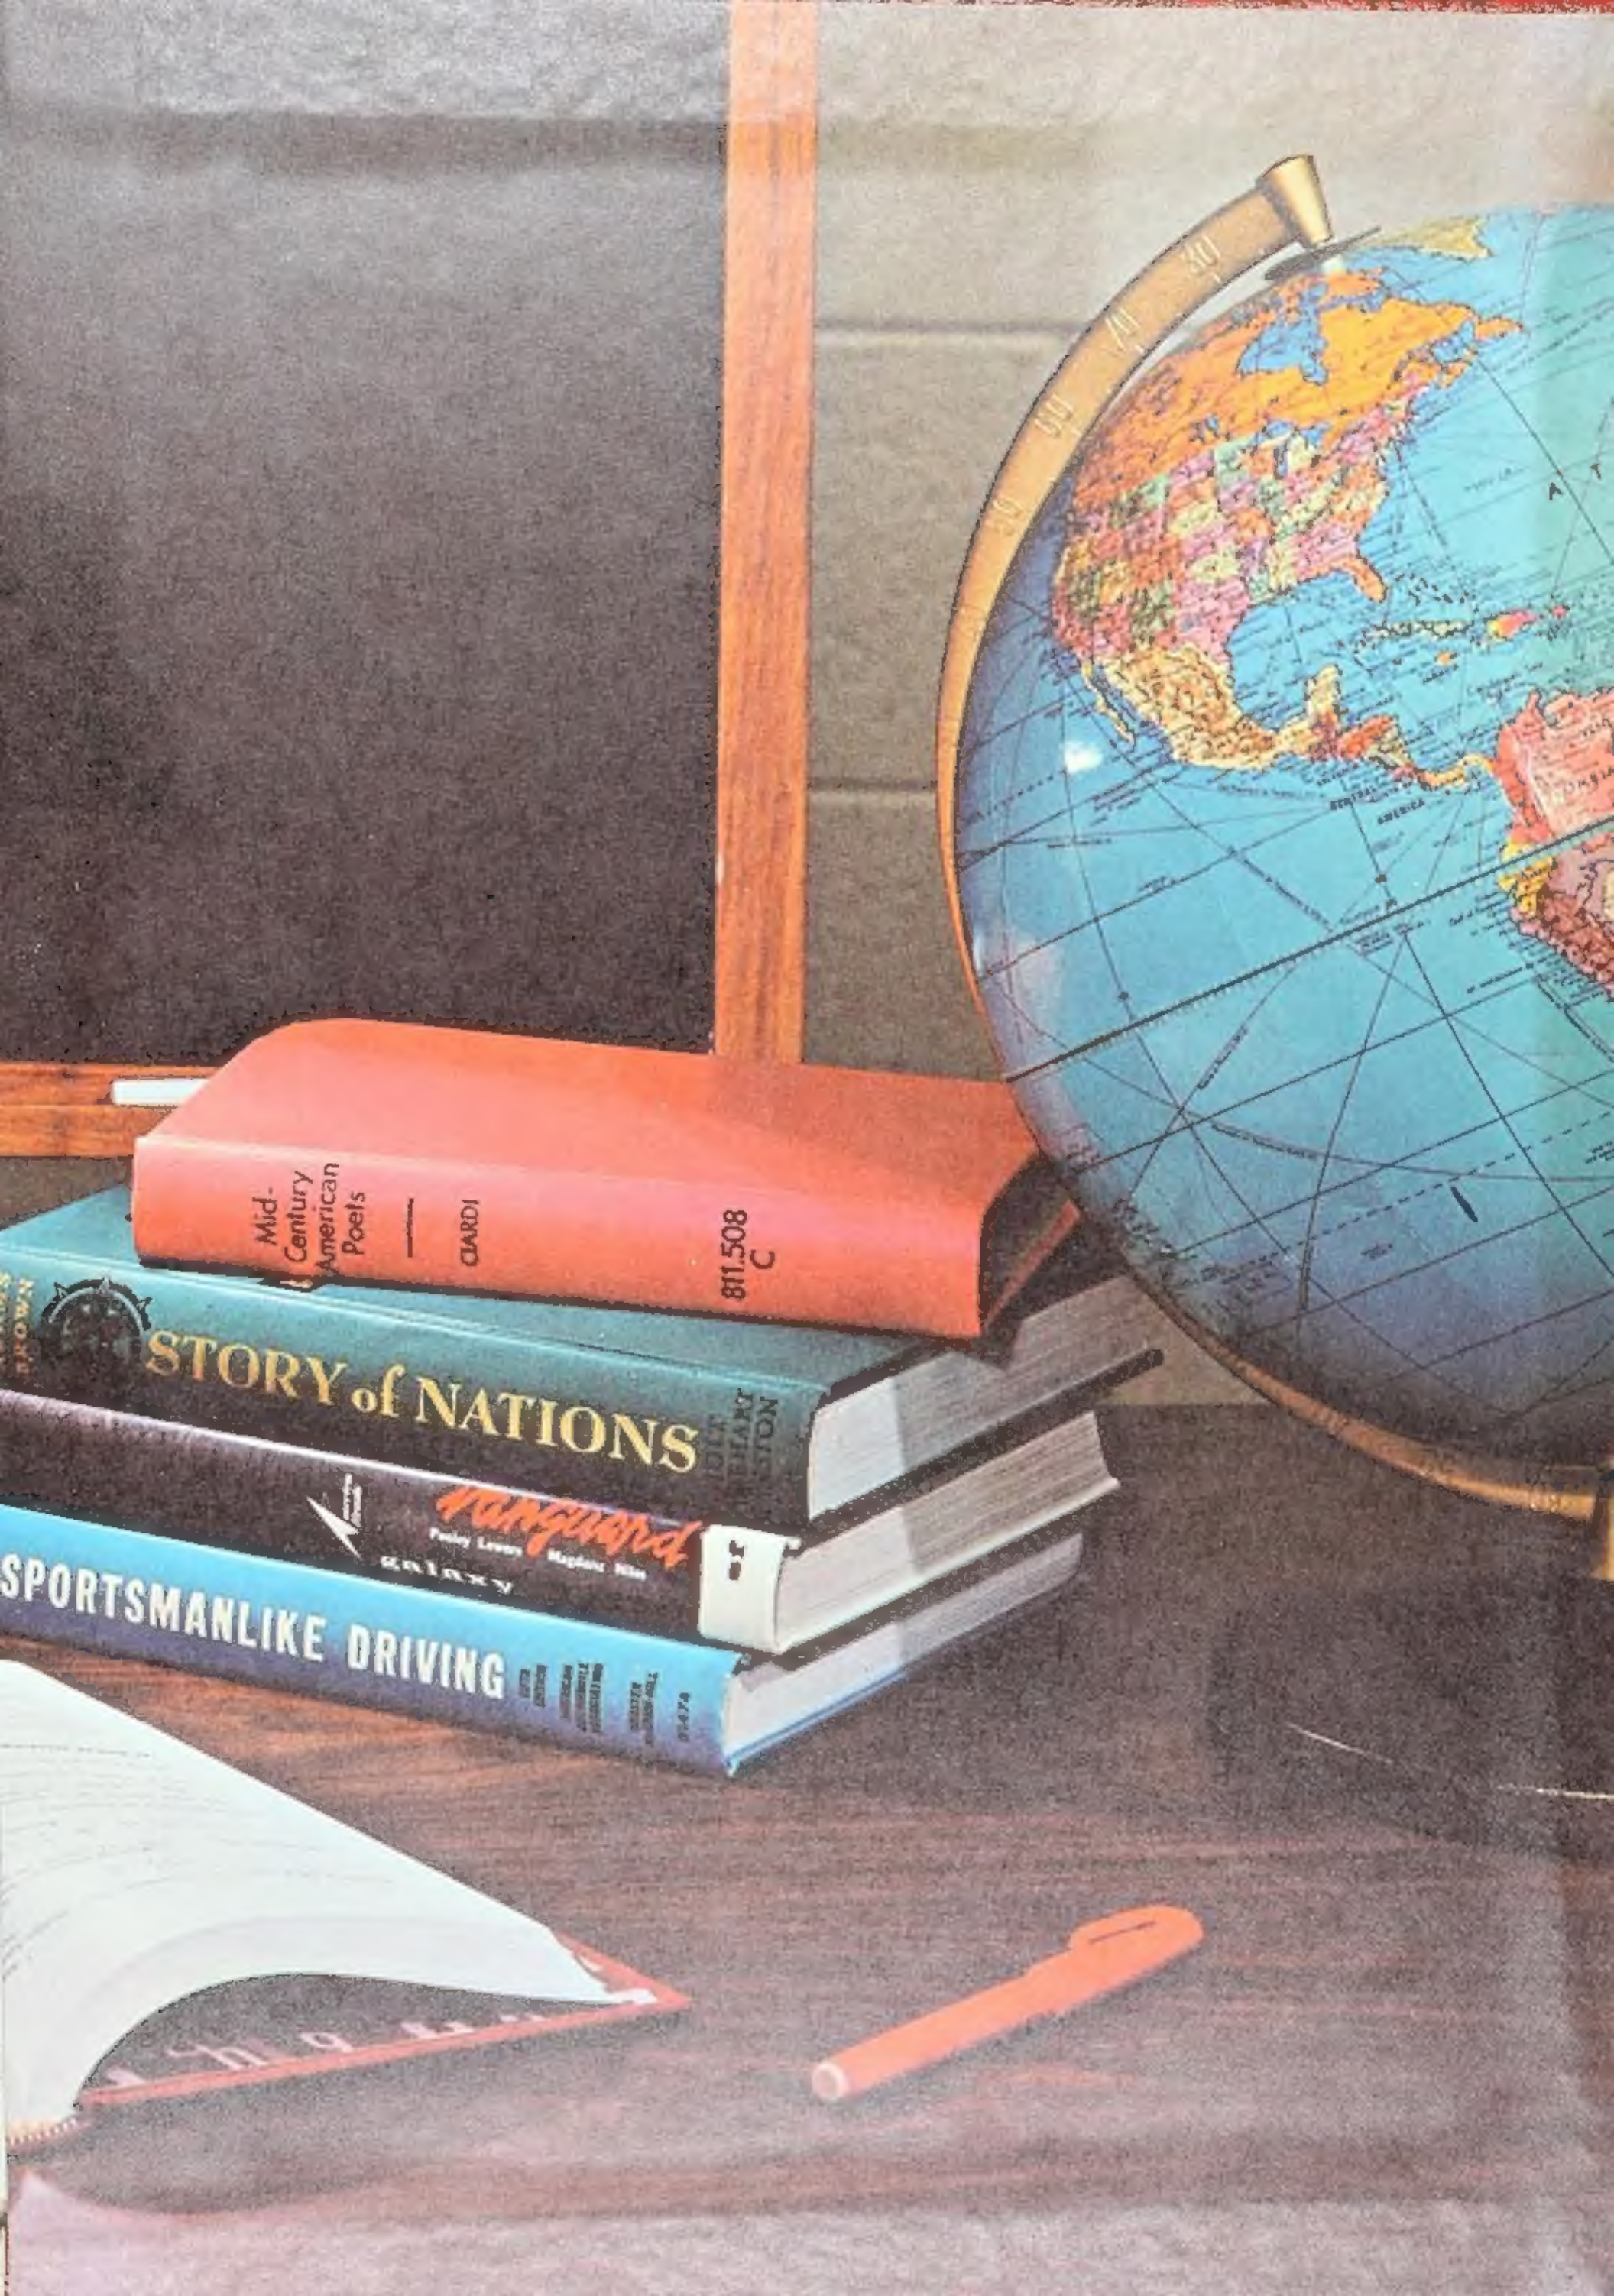

We've taken you so carefully through our beloved doors of THS. You've seen the activities, organizations, students and advisors. Many have participated in making Tonica High School feel alive. The building may be old and worn, but within its walls lie treasured memories of all. Now, as the doors close for the summer, a stillness settles over these hallowed halls. While memories linger on of our triumphs, sorrows, joys and friendships. Although the year is at its close we hope that through this annual, years from now you'll be able to look back and with an even more enthusiastic voice than now say, "That was MY SCHOOL."
